Payen®

Goetze® Sealing becomes Payen® Same product – Different pack

DRiV™ announces that **Goetze® Sealing parts will be offered as Payen®**. Exactly the same product with the identical quality and performance that is manufactured on the same production lines.

This will benefit your business:

- Industry-leading coverage of the regional vehicle parc
- Significantly enhanced speed-to-market of our latest sealing components
- Simplified stocking requirements

The globally respected **Payen® brand continues to be DRiV™'s "Expert Brand" within the sealing category.** This encompasses gaskets, gasket sets, oil seals and head bolts for all applications.

Goetze® remains our "Expert Brand" for piston rings and cylinder liners.
